Redwood City Improvement Association Installs Doggie Bag Dispensers in Downtown

-Downtown Redwood City becomes more dog friendly with new doggie bag dispensers-

REDWOOD CITY, Calif. (July 10, 2017) – The [Redwood City Improvement Association \(RCIA\)](#), a community benefit district that works to enhance Downtown Redwood City, has installed doggie bag dispensers around Downtown Redwood City to make the Downtown more pet friendly and maintain the cleanliness of the area. The City of Redwood City helped the RCIA install 15 green dispensers scattered throughout Downtown Redwood City, making it easily accessible for pet owners.

“The Redwood City Improvement Association wants to enhance Downtown Redwood City for its residents and its doggie residents,” said Stacey Wagner, president of the Redwood City Improvement Association. “We hope that this new installation of doggie bags for pet owners will keep our Downtown clean and encourage our residents to take a stroll with their pets without the stress of forgetting a bag!”
