Upcoming Art Kiosk Alert!

The [Redwood City Improvement Association](#) in partnership with [Fung Collaboratives](#) will unveil the latest Downtown Art Kiosk Installation by artist, Joseph Clayton Mills titled "Voice Crossing" with an opening reception on Saturday, October 12, at 4 p.m. in the Downtown Redwood City's Courthouse Square Kiosk. "Voice Crossing" gives people the opportunity to look into a time capsule and see a collection of archival films of holiday parades, marching bands, square dances and family celebrations that have happened throughout the years in the Bay Area. Projected through an array of rotating mirrors—the films will create a kaleidoscope of overlapping images—activating the walls of the exhibition. Make sure to come check "Voice Crossing" out through November 10, 2019.
