

REDWOOD CITY PARKING PROGRAM

FACT SHEET 2022

Rate Updates & Policy Changes

RWCPARK

Redwood City is working to make parking easier, quicker and more convenient than ever before!

EFFECTIVE JANUARY 2023

HOW MUCH DOES PARKING COST?

- Parking in the Downtown core is \$1/hour 8am-8pm, Mon-Sat
- The perimeter of Downtown is \$50¢/hour 8am-8pm, Mon-Sat, with no time limits
- Metered spaces are free during evenings and Sundays after 8pm and on

HOW DOES THE CITY USE PARKING REVENUE?

- All revenue from parking rates is used for parking system and Downtown related expenses, allowing for continued improvements and maintenance.
- Parking revenue contributes to the City's parking program goal of improving parking availability and convenience for all who park Downtown.

HOW DOES THIS IMPROVE PARKING FOR ME?

- New rates encourage shorter stays, thus freeing up more parking spots in the core area, while longer term parking in other areas is less expensive.
- New tools are making it possible to find, pay and extend your parking using your smart phone.
- System improvements are continuing with new real-time parking spot availability smart phone apps ("Clevercity"), and real-time garage space availability boards.

HOW DOES THIS IMPROVE OUR COMMUNITY?

- **Convenience.** Parking availability at the touch of a button!
- **Safety.** Less circling for parking reduces traffic, harmful emissions, and distracted driving.
- **Easier Downtown Access.** Improved access to Downtown amenities helps bring the community together, makes a more appealing destination, and supports Downtown businesses.
